**Webinar Series to Promote Awareness  
About HPV and HPV-Related Diseases  
January 27-31, 2020, Noon-1PM EST  
Free Registration and On-Demand**

## HPV PREVENTION WEEK

Hosted by American Medical Women's Association (AMWA), Global Initiative Against HPV and Cervical Cancer (GIAHC), and Indiana University

Our 2019 webinar series attracted nearly 1,000 live attendees. There were activities organized in 48 states. In addition, the *Lady Ganga* short film was screened in front of a Hollywood audience at the Raw Science Film Festival in Los Angeles. The webinar recordings were embedded on several sites, including the International Papillomavirus Society (IPVS) website for March 4<sup>th</sup>, International HPV Awareness Day. Our sincere thanks to our sponsors and supporters!
