

# PROVOX LIFE: BREATHE BETTER WHATEVER YOU DO! WEBINAR

MAY  
19<sup>th</sup>

Presented in conjunction with the Head and Neck Cancer Alliance South Carolina Community Chapter, the webinar is scheduled for May 19, 2021 at 5 pm ET. The webinar will feature medical expert, Samantha Jones, MA, CCC-SLP, a clinical educator at Atos Medical.

**Medical Presenter:**

**Samantha Jones, MA, CCC-SLP**

Clinical Educator  
Atos Medical

Samantha Jones began her career as a clinical specialist in voice and head/neck cancer at Carolinas Healthcare System main campus in Charlotte, North Carolina. She has over 20 years of experience as a speech-language pathologist (SLP) with the last ten focused on treatment of the head and neck oncology and laryngectomy populations. Samantha worked as a program lead within Levine Cancer Institute Head and Neck Cancer and Survivorship Departments and assisted in program development and clinical education throughout the healthcare system. During her tenure there, she hosted city-wide laryngectomy seminars and founded the only voice club in Charlotte, the Greater Charlotte Chatterboxes.

Samantha joined Atos Medical in 2017 and is currently a Clinical Educator.

## **DISCLOSURE:**

Samantha Jones, MA, CCC-SLP, is a Clinical Educator at Atos Medical. She has the following financial relationship or relationship affiliations to disclose: She is employed by Atos Medical. She has no relevant non-financial relationships to disclose.
